## Current Bibliography of Urban History

compiled by Diana Dixon and Anthony Sutcliffe

This bibliography is a continuation of and a complement to those published in *UHY* 1974–81. It aims to provide a comprehensive coverage of those British books listed in the *British National Bibliography* between 1 July 1980 and 30 June 1981. This material is supplemented by the scanning of a large number of periodicals and by the selections sent by the *Yearbook's* foreign correspondents. This year we are indebted to Monsieur Bernard Lepetit (France); Mr N. Goose (British periodicals); Dott. Cinzia Sicca (Italy); Professor Gilbert Stelter (Canada); Dr Graeme Davison and Mr C. McConville (Australia); and Ms Judith Spraul-Schmidt, Dr Robert B. Fairbanks and Professor Zane Miller (U.S.A.) for their contributions.

We have followed the same format and arrangement as in previous years. Cross references are provided wherever relevant, and there is an index of towns on pp. 129–34. The list of abbreviations refers only to periodicals cited in the bibliography and the absence of a particular title does not mean that it has not been scanned this year.
